Job Information

Organisation/Company	Université de Strasbourg
Department	Institut de Science et d'Ingénierie Supramoléculaires (ISIS)
Research Field	Chemistry
Researcher Profile	Recognised Researcher (R2)
Country	France
Application Deadline	16 Dec 2023 - 12:00 (Europe/Paris)
Type of Contract	Temporary
Job Status	Full-time
Offer Starting Date	1 Jan 2024
Is the job funded through the EU Research Framework Programme?	H2020 / ERC
Is the Job related to staff position within a Research Infrastructure?	No

Offer Description

We are looking for highly motivated postdoc candidates with a PhD degree in Chemistry and a strong background in organic synthesis of stimuli-responsive systems and light-sensitive materials. Previous experience in photochromic molecules synthesis is beneficial.

The successful candidate will be integrated in a truly interdisciplinary and international group working on multifunctional materials and devices. Very good level of English (oral and written) is requested. Women are strongly encouraged to apply. Applications should include a cover letter, a curriculum vitae, a list of publications and the contact details of two references.

Requirements

Research Field	Chemistry
Education Level	PhD or equivalent
Languages	ENGLISH
Level	Excellent
