

SOCIÉTÉ CHIMIQUE DE FRANCE

GRUPE THÉMATIQUE CHIMIE SUPRAMOLÉCULAIRE

JCS2023

2nde Journée de Chimie Supramoléculaire

MONTPELLIER • 1 - 2 JUIN 2023

3 PLENARY LECTURES:

Dr. Anne-Marie CAMINADE, LCC, CNRS, Toulouse
2022 André Collet prize laureate

Supramolecular interactions of phosphorus dendrimers and their applications in catalysis, materials, and biology

Pr. Thomas HERMANS, Université de Strasbourg
2022 Christine Dietrich-Buchecker prize laureate
Controlling self-assembly by chemical fuels and light

Dr. Mihail D. BARBOIU, IEM, CNRS, Université de Montpellier
Artificial Water Channels-toward Biomimetic Membranes for Desalination

+ 14 ORAL COMMUNICATIONS + 1 POSTER SESSION + 4 PRIZES FOR BEST COMMUNICATION

Deadline for abstract submission: 14 April 2023

Program & Registration (deadline 5 May 2023) at: <https://jcs2023.sciencesconf.org>

Section régionale Occitanie-Méditerranée
Société Chimique de France
Le réseau des chimistes

EurJOC
