DEPARTMENT

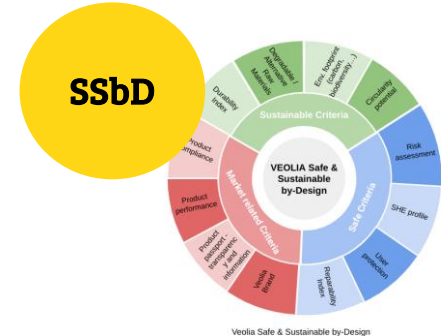

# Veolia Chemical Change Program

A project by and for the **STAKEHOLDERS & BUs**

Dialogue &  
Alliance

EXEMPLARITY

SAFE &  
*SUSTAINABLE*  
Solutions & Services

# Veolia Chemical Change Progra

## SPC Model, from mining to mining The model for Chemicals Change

**Scope 3 - Chemicals Circularity "C"**  
The Chemistry that we recover, recycle and we put on the market

**Scope 2 - Chemicals dePollution "P"**  
The Chemistry that we decontaminate and we decarbonize

**Scope 1  
chemicals Supply**

Chemistry that we design, extract, transform, use

**Scope 1 - Chemicals Supply "S"**  
The Chemistry that we buy, use, design, transform and sell

**Scope 2  
chemicals dePollution**

Chemistry that we decontaminate
