

# Agenda

14-19 juillet 2024

## ICC Lyon 2024

18<sup>th</sup> International congress in catalysis

Lyon

[www.icc-lyon2024.fr](http://www.icc-lyon2024.fr)

14-19 juillet 2024

## 29<sup>th</sup> PhotoIUPAC

IUPAC symposium on photochemistry

Valence (Espagne)

[www.photoiupac2024.com/index.php/welcome](http://www.photoiupac2024.com/index.php/welcome)

28 juillet-2 août 2024

## ISOCS-30

30<sup>th</sup> International symposium on the organic chemistry of sulfur

Florence (Italie)

[www.chim.unifi.it/vp-699-30th-international-symposium-on-the-organic-chemistry-of-sulfur.html](http://www.chim.unifi.it/vp-699-30th-international-symposium-on-the-organic-chemistry-of-sulfur.html)

28 juillet-2 août 2024

## 24<sup>th</sup> ISFC

International symposium on fluorine chemistry

Shanghai (Chine)

[www.aconf.org/conf\\_199001.html](http://www.aconf.org/conf_199001.html)

29 juillet-2 août 2024

## ISMIC 2024

8<sup>th</sup> International soft matter conference

Raleigh (NC, États-Unis)

<https://soft-matter.com/ismc2024>

11-16 août 2024

## ISNA 2024

20<sup>th</sup> International symposium on non-benzenoid aromatic compounds

Toronto (Canada)

<https://iupac.org/event/20th-international-symposium-on-novel-aromatic-compounds>

18-22 août 2024

## ICPOC

26<sup>th</sup> International conference on physical organic chemistry

Pékin (Chine)

[www.icpoc26.tsinghua.edu.cn](http://www.icpoc26.tsinghua.edu.cn)

18-23 août 2024

75<sup>th</sup> Annual meeting of the International Society of Electrochemistry

Montréal (Canada)

<https://annual75.ise-online.org>

25-29 août 2024

## EuroBIC-17

17<sup>th</sup> European biological inorganic chemistry conference

Münster (Allemagne)

<http://frenchbic.cnrs.fr/event/17th-european-biological-inorganic-chemistry-conference-eurobic-17>

25-30 août 2024

## NRC 10

10<sup>th</sup> International conference on nuclear and radiochemistry

Brighton (Royaume-Uni)

[www.euchems.eu/events/10th-international-conference-on-nuclear-and-radiochemistry-nrc10](http://www.euchems.eu/events/10th-international-conference-on-nuclear-and-radiochemistry-nrc10)

1-5 septembre 2024

## EFMC-ISMIC 2024

28<sup>th</sup> EFMC International symposium on medicinal chemistry

Rome (Italie)

[www.efmc-ismc.org](http://www.efmc-ismc.org)

3-6 septembre 2024

## NyNA 2024

11<sup>th</sup> International congress on analytical nanoscience and nanotechnology

Santiago de Compostelle (Espagne)

[www.euchems.eu/events/xi-international-congress-on-analytical-nanoscience-and-nanotechnology-xi-nyna-2024](http://www.euchems.eu/events/xi-international-congress-on-analytical-nanoscience-and-nanotechnology-xi-nyna-2024)

5-6 septembre 2024

11<sup>th</sup> EFMC young medicinal chemists' symposium

Rome (Italie)

[www.efmc-ymcs.org](http://www.efmc-ymcs.org)

5-7 septembre 2024

## ECRICE 2024

16<sup>th</sup> European conference on research on chemical education

Lisbonne (Portugal)

[www.euchems.eu/events/16-european-conference-on-research-in-chemical-education-ecrice-2024](http://www.euchems.eu/events/16-european-conference-on-research-in-chemical-education-ecrice-2024)

8-11 septembre 2024

## 38<sup>th</sup> Topical meeting of the ISE

Nanomaterials in electrochemistry

Manchester (Royaume-Uni)

<https://topical38.ise-online.org>

8-11 septembre 2024

## ECIRM 2024

European colloquium on inorganic reaction mechanisms

Toulouse

[www.euchems.eu/events/european-colloquium-on-inorganic-reaction-mechanisms-ecirm](http://www.euchems.eu/events/european-colloquium-on-inorganic-reaction-mechanisms-ecirm)

9-11 septembre 2024

## HPTLC 2024

26<sup>th</sup> International symposium for high performance thin layer chromatography Budapest (Hongrie)

[www.euchems.eu/events/26th-international-symposium-for-high-performance-thin-layer-chromatography](http://www.euchems.eu/events/26th-international-symposium-for-high-performance-thin-layer-chromatography)

9-13 septembre 2024

## ISSP21

21<sup>st</sup> International symposium on solubility phenomena and related equilibrium processes

Novi Sad (Serbie)

<https://issp2024.pmf.uns.ac.rs>

9-14 septembre 2024

## intSMS 2024

International school on mass spectrometry

Erice (Italie)

[www.euchems.eu/events/international-school-on-mass-spectrometry-intsms-2024](http://www.euchems.eu/events/international-school-on-mass-spectrometry-intsms-2024)

15-18 septembre 2024

## EuSP2024 & GSAC2024

3<sup>rd</sup> European sample preparation conference and 2<sup>nd</sup> Green and sustainable analytical chemistry conference

Chania-Crète (Grèce)

[www.euchems.eu/events/3rd-european-sample-preparation-conference-and-2nd-green-and-sustainable-analytical-chemistry-conference-eusp2024-gsac2024](http://www.euchems.eu/events/3rd-european-sample-preparation-conference-and-2nd-green-and-sustainable-analytical-chemistry-conference-eusp2024-gsac2024)

15-20 septembre 2024

## SPEC 2024

Spectroscopy and electrochemistry summer school

Venise (Italie)

[www.euchems.eu/events/spectroscopy-and-electrochemistry-summer-school-spec-2024](http://www.euchems.eu/events/spectroscopy-and-electrochemistry-summer-school-spec-2024)

17-19 septembre 2024

### IWA&B 2024

11<sup>th</sup> International workshop on anthocyanins and betalains

Leeds (Royaume-Uni)

[www.euchems.eu/events/11th-international-workshop-on-anthocyanins-and-betalains-iwab-2024](http://www.euchems.eu/events/11th-international-workshop-on-anthocyanins-and-betalains-iwab-2024)

17-20 septembre 2024

### CERIA 2024

4<sup>th</sup> International conference on fundamentals and applications of cerium dioxide in catalysis

Portorose (Slovénie)

<https://ceria2024.chem-soc.si>

7-11 octobre 2024

### JEPO 2024

Journée d'étude des polymères

Autrans

[www.sfp-plastic.org/2024/06/gfp-journees-detude-des-polymeres-jepo-2024-7-11-octobre-escandille-autrans-38](http://www.sfp-plastic.org/2024/06/gfp-journees-detude-des-polymeres-jepo-2024-7-11-octobre-escandille-autrans-38)

18-22 octobre 2024

10<sup>th</sup> International conference on green chemistry

Pékin (Chine)

<https://iupac.org/event/10th-iupac-international-conference-on-green-chemistry>

20-24 octobre 2024

### ECPC25

5<sup>th</sup> European conference of physical chemistry

Antalya (Turquie)

[www.euchems.eu/events/5th-european-conference-of-physical-chemistry-ecpc25](http://www.euchems.eu/events/5th-european-conference-of-physical-chemistry-ecpc25)

20-25 octobre 2024

### ISXB6

6<sup>th</sup> International symposium on halogen bonding

Dubrovnik (Croatie)

[www.euchems.eu/events/6th-international-symposium-on-halogen-bonding-isxb6](http://www.euchems.eu/events/6th-international-symposium-on-halogen-bonding-isxb6)

21 octobre-1<sup>er</sup> novembre 2024

### Life cycle assessment workshop

Kumasi (Ghana)

<https://lca-workshop.com/Home.html>

22-25 octobre 2024

### Glasstec 2024

Düsseldorf (Allemagne)

[www.glasstec-online.com](http://www.glasstec-online.com)

7-9 novembre 2024

Pesticides and related emerging organic pollutants

Bengalore (Inde)

<https://epcet.edu.in/international-pesticides-conference-2024>

11-15 novembre 2024

### SiC2024

Solutions in chemistry 2024

Sveti Martin na Muri (Croatie)

<https://iupac.org/event/solutions-in-chemistry>

13-15 novembre 2024

### 20<sup>th</sup> ICPG

International conference on polysaccharides and glycoscience

Prague (Rép. Tchèque)

[www.polysaccharides.csch.cz](http://www.polysaccharides.csch.cz)

25-26 novembre 2024

8<sup>th</sup> International conference on food chemistry, nutrition and safety

Madrid (Espagne)

<https://foodchemistry.conferenceseries.com>

27-28 novembre 2024

4<sup>e</sup> Congrès Matériaux polymères et composites dans le bâtiment et les travaux publics

Champs-sur-Marne

[www.sfp-plastic.org/evenements/3315](http://www.sfp-plastic.org/evenements/3315)

**9th EuChemS CHEMISTRY CONGRESS**  
Dublin, Ireland 7-11 July 2024

CHEMISTRY: ADDRESSING CURRENT AND FUTURE GLOBAL CHALLENGES

#### ECC-9 Congress Programme Themes

Advances in Synthetic Organic Chemistry	Education, History, Cultural Heritage, and Ethics in Chemistry
Catalysis	Nanochemistry/ Materials
Physical, Analytical and Computational Chemistry	Energy, Environment and Sustainability
Chemistry Meets Biology for Health	Supramolecular Chemistry

#### ECC-9 World-Leading Plenary Speakers

 Professor Dame Clare P. Grey	 Professor Odile Eisenstein	 Professor Véronique Gouverneur	 Professor Frances H. Arnold
 Professor Sir David W. C. MacMillan	 Professor Sir J. Fraser Stoddart	 Professor Omar M. Yaghi	 Professor Brigitte Van Tiggelen

 **EuChemS**  
European Chemical Society

[www.euchems2024.org](http://www.euchems2024.org)
